A MESSAGE TO OUR COMMUNITY

Did you know that 100% of your donations go directly to improve patient care and nursing student education throughout The Christ Hospital Health Network?

The Christ Hospital Foundation works with donors to meaningfully impact the lives of patients, their families, and students. This last year, your philanthropic dollars helped enhance patient education, purchase new diagnostic and treatment technology, expand TeleMedicine to rural communities, and provide vital assistance to those who otherwise cannot afford the care.

Cardiovascular nursing—a technically challenging field—received a big boost by two donor families who, through their donations, place a high value on specialized heart care.

Our TeleMedicine program—consisting of primary care and medicine specialists—will reach more patients in rural Ohio and Indiana thanks to a major donation to fund this expansion.

All this generosity from donors, Board members, physicians and staff resulted in The Christ Hospital Foundation being ranked among the top ten community hospital foundations in the nation by the Association for Healthcare Philanthropy. This “High Performer” recognition is determined, in part, by the total amount of philanthropy coupled with our cost-efficient operations. This is just one indication that your donation dollars are being well-utilized for the benefit of patients and families.

On behalf of The Christ Hospital Foundation, I extend my profound gratitude to our Board, our volunteers, and to each of you—the donors who make a difference every day in the health of our community.

Gratefully,

RICHARD F. KAMMERER, FAHP, CFRE
President, The Christ Hospital Foundation
